

MACHINE LINEUP

Our state-of-the-art machines, meticulously selected to optimize production, ensure precision and quality throughout our manufacturing process. These cutting-edge tools embody our commitment to efficiency and excellence, playing a crucial role in shaping the high standards we maintain in every aspect of our operations.

LATHES | 12 Mazak CNC Lathes, 8"-24" Chuck, Live Tooling

QTN 450-II MY (2010) 18" Chuck, Live Tooling, Steady Rest	QTN 350-II MY (2018) 15" Chuck, Live Tooling	QTN 300M (2006) 12" Chuck, Live Tooling	QT 250MY (2020) 10" Chuck, Live Tooling
